

# Manage Well Remotely:

leading your team through the screen

*Wonder if your team is working too little or too much?*

*Using 1-to-1s as status updates instead of growth opportunities?*

Managing remotely can be a **recipe for burnout** for you and your team. Say **goodbye to dull video calls** and chaotic communication channels, and manage your remote employees **without sacrificing your time, health, or productivity.**

**Lead from wherever you are, engaging your team to work well together!**

**“...big takeaways to work with my global team”**

*From a 3-day conference, this was one of two impactful sessions and left me with big takeaways to work with my global team.*
